Sir:

This is to advise that Appeal Nos. 2004-1044 and 2003-1551 have both been scheduled for hearing on Wednesday, 18 August 2004, at 1:00 p.m.

These two appeals are unrelated to one another, do not involve the same issues and the substance of the Appeals are quite different. As previously noted, it is very difficult for me to both prepare for and present oral hearings sequentially, at the same meeting at the Board of Patent Appeals and Interferences.

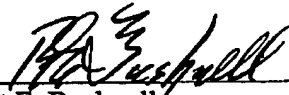

Accordingly, I would be most grateful if you would re-schedule the Appeal No. 2003-1551 for a different date, preferably at least one day or even two days later than 18 August 2004.
